After clicking register, you will receive a confirmation email, click "Click here", this step is to make sure the email is correct. Enter your email and password and click Sign in.

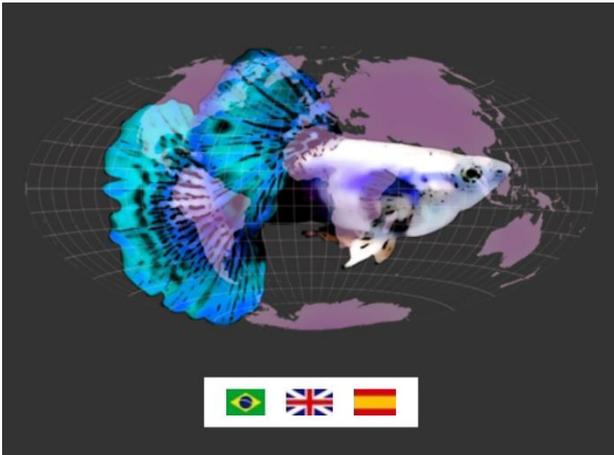

The image shows a login form on a dark blue background. At the top center, the word "Login" is written in white. Below it, there are two white input fields. The first field is labeled "E-mail" and the second is labeled "Senha". To the right of the "Senha" field, there is a link that says "Esqueci a senha". At the bottom center, there is a white button with the text "Entrar".

OK

Now you have arrived in your exclusive area.

Above the menu on the left you find your iD number, this is your identification code that should be placed in the aquariums that will be used to film the fish. You can enter up to 5 fish.

Click on the Fish Menu, select the class and choose the video that should be in .mp4 format.

Your ID: 1333

Videos in .mp4 format. Maximum file size: 20 MB

Add new

#	Class	Video	
---	-------	-------	--

The ID is your number, , when uploading the videos, the system itself takes care of directing them to the class you entered. Don't forget to put a label in the top of the tanks with your ID when you movie the entries..

Thank you for your participation.
